OUR CAPABILITIES AND EXPERIENCE

ABOUT US

SC Lennon & Associates is specialist consultancy firm offering informed and practical solutions to a range of policy, planning and strategic program delivery challenges.

We are leaders in the field of economic development policy and strategy formulation, destination management planning, urban and regional planning, corporate planning, socio-economic research and analysis, cost-benefit analysis, economic impact analysis and business case preparation.

Our approach to every project is collaborative in nature. Working closely with our clients, our work is informed by a balanced approach to socio-economic research and analysis blended with stakeholder consultation and engagement to deliver aspirational yet implementable outcomes.
